

DOMESTIC MARKET DOMINANT BILLING DETERMINANTS

Note: Revisions of May 20, 2021, are described at end of document in **bold**.

I. PREFACE

A. Purpose and Content

USPS-FY20-4 contains the U.S. Postal Service billing determinants for domestic market dominant products for FY 2020 and the distribution of the market dominant fees by classes. Billing determinants provide specific information regarding revenue and volume of postal products and services.

B. Predecessor Document

Domestic Billing Determinants and the market dominant fee distribution for FY 2019 were filed with the Postal Regulatory Commission as USPS-FY19-4.

C. Methodology

The methodologies used to produce the FY 2020 Billing Determinants follow the methodologies used in the FY 2019 and earlier versions of the billing determinants.

D. Input/Output

The data in this folder are used to develop workshare and other cost information contained in USPS-FY20-10, USPS-FY20-11, USPS-FY20-12, USPS-FY20-13, USPS-FY20-15, USPS-FY20-16, USPS-FY20-17, USPS-FY20-18, and USPS-FY20-19.

II. ORGANIZATION

In addition to this Preface, USPS-FY20-4 consists of a zip file containing two folders and one additional file (FY20 MD Fee Distribution.xlsx – Distribution of FY 2020 Market Dominant Fees). One folder presents the FY 2020 Marketing Mail billing determinants, and includes four Excel workbooks containing the four individual quarters, plus a fifth Excel workbook containing the fiscal year Marketing Mail billing determinants (which are an aggregation of the four quarters). The other folder contains the remaining FY 2020 market dominant billing determinants. In this folder, each file directly includes both quarterly and annual billing determinants. No file is included for Pickup on Demand (for Media and Library Mail and Bound Printed Mail Parcels) because there was no reported volume for those services during the year. The following list indicates the contents of each workbook in the other folder:

FY20 AK_BD.xlsx – Alaska Bypass Billing Determinants
FY20 BPM BD.xlsx – Bound Printed Matter Billing Determinants
FY20 FCM.xlsx – First-Class Mail Billing Determinants

REVISED: 5/20/2021

FY20 Periodicals BDs.xlsx – Periodicals Billing Determinants

FY20 Special Services PRC.xlsx – Special Services Billing Determinants

FY20 ML BD.xlsx – Media and Library Mail Billing Determinants

Revisions of 05/20/2021: The revisions of this date relate to three tabs within the Special Services file. No other files are affected, and thus only the Special Services file is being replaced. Within the Special Services file, the only three original tabs affected are F-2 COD, H-7 ICOA, and K-1 NCOALink. A “Change Log” tab has also been added to explain the changes. The overall effects are quite minor. Revised tabs and cells are highlighted.
